15 May 2019

Dear Parents,

As you know last term we introduced ParentPay, an online payment system to enable parents to make payments to school for dinners, trips, clubs etc by card rather than cash. Thank you to all parents who have signed up and activated their accounts. 56% of our families are now using ParentPay.

Now this is up and working we are looking to move to the next stage which is to **stop taking cash** payments in school. From September 2019 we will not be accepting cash payments in school. We want to make sure everyone we tell everyone in plenty of time to allow them to get used to the new system.

The best way to make payments is online using the **website** (not app!) www.parentpay.com. When you go to the website you need to enter your activation details which you have already been given – if you have lost them just come to the office and we can provide them for you.

If you do not have access to the internet or do not have a credit or debit card, you can make cash payments using **PayPoint** at a local shop. To do this you will need a barcode to link payments to your child – please speak to us in the office and we will set this up for you.

If you have any questions, please speak to Mrs Mills or Mrs Crathorne in the school office.

Thank you for your support with this.

Mrs Manpreet Ubhie
Head of Academy
