Assembly

This week in assembly we have been talking about **Trust & Honesty**. We have been talking about telling the truth/ being honest stops people getting hurt. Telling the truth makes you feel better and the truth enables people trust you. Trust is a belief that someone is telling the truth and that someone is reliable, they won't let you down.

Dear Families,

Thank you to all the parents and carers who attended the E-safety online workshop. A great turn out. This week at Ash Croft the children have been exploring the SMART rules for internet safety.

S—Safe: Keep your personal information safe! If you wouldn't say it to a stranger on the street, don't share it with strangers on the internet...

M—Meeting: Don't meet up! Online games can be a great place for chatting to your friends. Always know who you are talking to. If an adult who you don't know ever asks you to meet up, say no and report it...

A—Accepting: Think before you accept something from someone online e.g. a file, a download, a picture etc. It may contain a virus. If you don't know who it's from, and it has an attachment... DELETE IT!

R—Reliable: Not everyone online is trustworthy. Somebody may be lying about their age and who they are. Make sure you know who you are talking to and use reputable sites and services to protect you and your computer.

T—Tell: Tell a parent, carer or trusted adult if someone, or something makes you feel worried or uncomfortable online. Also, tell someone if a friend of yours needs help online too.

Best wishes

Have a lovely weekend and see you again on Monday.
Mrs Ubbie

Head boy/Head girl

Well done to Humzah and Nicole who have been chosen to be head boy and head girl. As part of their role they are responsible for representing the school at events, and therefore must be able to make public speeches. They also serve as a good role model for pupils, and share pupils' ideas with the school's leadership. They may also be expected to lead fellow prefects in their duties.

What have each class been learning about this week?

Class	
Oak	We are learning about the five senses. This week we have been thinking about sight.
Pine	In topic this week we have been learning about the journey Christopher Columbus took to America.
Willow	In English we have been innovating a non chronological report. We have continued our robots topic discussing the fors and againts of using robots.
Birch	In Maths we have been adding 3 digit numbers using the column method.
Maple	We have been using our retrieval and inference skills in our reading lessons.
Elm	This week we have been reading and interpreting line graphs.
Sycamore	Our focus in maths this week has been on fractions.

Attendance

Whole school attendance for this week is 96.84%

Whole school attendance overall (Sep — to date) 97.35%
