13 February 2020

Dear Parents,

We will be having a Book Week in school from 2nd – 6th March and will be focussing on Science Fiction. **World Book Day will be on Thursday 5th March** and on this day, we are encouraging everyone to come dressed as a character from a book. If your child can come dressed as a science fiction character, to fit in with our theme that would be even better!

We do not want anyone to feel they need to go and buy a costume especially for World Book Day – we know this can be expensive. We would like to encourage you to get creative and make a costume with things you already have at home. It is half term next week and a great opportunity spend some time as a family getting crafty and making an outfit. There are some pictures below to give you some inspiration.

We look forward to seeing the finished products!
