Dear Parents/Carers,

The national strike action planned for **Wednesday 5th July and Friday 7th July** due to the ongoing dispute between the National Education Union (NEU) and the Government, **will not** result in any closures at Ash Croft.

Some of our teaching staff will be striking, however, cover for these classes has been arranged and all children should attend school at Ash Croft as normal on **Wednesday 5th July and Friday 7th July**.

At this point, no further strike action is scheduled by the NEU.

Yours sincerely,

Miss E Luff
Executive Principal
