Our attendance policy

Aims and expectations

At Ash Croft Primary Academy, we expect all our pupils to:

- Attend every day
- Attend on time
- Attend ready to learn

Good **attendance** and **punctuality** is EVERYONE's responsibility. It is vital to making sure that children make good progress and have the best chances for success in life. Children have the right to a full education, broad and excellent education. Our partnerships with parents play a vital role in ensuring excellent attendance and punctuality are achieved.

SCHOOL ATTENDANCE EVERY DAY COUNTS

There are **190** days in a school year which leaves **175** days to spend on family time, shopping, appointments and other things.

Having clear responsibilities, routines and expectations helps children to attend regularly. This policy aims to support children, families and staff to understand the routines we have to ensure good attendance and what can be done to support children to attend regularly.

Some of the words used in this policy (identified in bold) are explained in appendix 1

School Attendance and the Law

Under the 1996 Education Act, parents and carers are responsible for ensuring their children attend school regularly and punctually. A **register** must be taken at the start of the morning and afternoon session. This is a legal document and set codes are followed (see appendix 2)

By law, only schools can authorise absence. Parents / carers must let school know the reason for any **absence** and a decision will be made about whether to authorise this. It is unlikely that absence will be **authorised** for holidays or for any activity which could occur out of the school day. Whilst the Principal will consider all requests on a case-by-case basis, parents must be aware that requests will normally be refused.

Regulations related to this policy are:

- 1996 Education Act
- Education (Pupil Registration) Regulations 2006
- Education (Pupil Registration – England) Regulations 2013

Pupils with Specific Medical or other needs

Whilst every pupil has the right to a full-time education and high attendance is expected for all pupils, it is recognised that there may be individual circumstances which are a specific barrier to attendance. Where this is the case, the academy, parents / carers and the pupil, along with any other relevant agency will work together to ensure the attendance of the pupil is the best it can be and that any absence is supported by alternative methods (e.g. hospital school, remote access to high quality learning opportunities etc).

Our regular attendance routines

We have assemblies once per week where we celebrate good attendance and improvement in attendance. This is a special time for all at our school.

Staff encourage good attendance and have a relentless focus on improving attendance throughout the week.

Who to contact regarding attendance:

Ensuring good attendance is everyone's responsibility. We all have a part to play in making sure all children are in school and thriving. In our academy, all staff are dedicated to supporting good attendance. Some staff have key responsibility for attendance and are contacts if parents / carers / staff have any queries or support needs.

Senior Attendance Champion

The Senior Attendance Champion in School is Miss Luff, Principal.

Attendance Officer

The Attendance Officer in School is Mrs Twigg, Safeguarding, Attendance and Family Support Officer, supported by Mrs Mills, Office Manager.

The Board of Trustees and Central Harmony Trust staff also have responsibilities for attendance and support the academy to ensure attendance is a key focus. Specific roles and responsibilities can be found in appendix 3.

For unexpected absence

If a child is not going to be in school, parents/carers must contact the school office on **01332 764160** as soon as possible on the first day of absence. Please leave a message on the absence line, option 1, or speak to the office on option 2.

If there is no contact from home, the academy will try to make contact (by phone or home visit). It is important we have contact so we can ensure all children are safe.

Requesting time out of school

To request **exceptional leave**, please speak to the school office.

Please note, holidays in term time will not be authorised. Other absence will be considered on an individual basis and will only be authorised in exceptional circumstances.

Discussing attendance concerns

To discuss any concerns regarding attendance, please contact Mrs Scott/Miss Luff via the school office.

Parent / Carer Contact information

Parents/carers must provide accurate and up to date contact details. This will be requested every year and parents / carers are encouraged to inform school of any changes during the year.

Parents/carers are responsible for updating the academy if their details change.

How we celebrate good attendance

We have a number of ways to celebrate good and improving attendance. We realise that it is important to recognise improved attendance from any starting point and that for some pupils there are complex barriers which may make attending school everyday more challenging (e.g. a child with regular hospital appointments). Our celebrations recognise improvements for individuals. We also look at class attendance and improvements in the short-term and over time.

Our celebrations include:

- Certificates for good / improving attendance
- Weekly class of the week attendance

If a child is absent from school:

We hope our pupils will be in school every day. However, this will not always be possible and we will make a decision regarding authorising absence on an individual basis. Where an absence is not authorised, parents / carer will be informed and there will be an opportunity to discuss.

If a child is absent from school, their parent / carer is expected to contact school (see the unexpected absence section) giving the child's name, class and reason for absence.

If there is no contact, school staff will telephone to find out why the child is absent. We have a duty of care to make sure children are safe so it is important we know why they are not in school and that they are safe. **High levels of absence, without good reason, can be a safeguarding concern.**

Exceptional Leave

Term-time leave will not be granted except in exceptional circumstances (e.g. bereavement or serious illness). This will require a discussion with Mrs Scott or Miss Luff.

Any notifications of leave of absence must be made in advance using the 'Leave of Absence Notification Form' which is available from the academy office.

Taking a pupil out of school, except in agreed authorised circumstances will be recorded as an **unauthorised absence** and may attract a **Penalty Notice**.

Exceptional leave is NOT:

- Availability of cheap flights and / or holidays
- Availability of desired accommodation
- Parent / carer work commitments
- Poor weather experienced during school holidays
- Dates overlapping with the beginning or end of half terms or terms
- Circumstances where children can be looked after by close family members i.e. the other parent
- A sibling with a special educational need or a sibling attending a medical appointment

Where exceptional leave is granted, a return date must be specified. Parents/carers may lose their child's place on the school roll if the child does not return within five days of the agreed date of return.

Religious Observance

The academy will try to ensure that families are able to celebrate key religious festivals without it affecting their child's education.

When large numbers of our pupils are affected, the Academy will try to accommodate Trust closure days as close to anticipated religious observance days, to allow for pupils to take religious observance without affecting their attendance. Wherever this is facilitated it will be for one academy day. All pupils must return to the Academy as usual the following day. Where this is not possible, specific decisions regarding time off for religious observance will be made and shared with parents well in advance. Only one day of absence will be authorised.

Appointments

- As far as possible, parents/carers should attempt to book routine medical and dental appointments outside of school hours.
- Where this is not possible, an appointment card/ evidence of an appointment (e.g. text) must be shown to school.
- Pupils must attend school before and after the appointment wherever possible.
- If the appointment requires the pupil to leave during the school day, they must be signed out by a parent/carers and signed back in on their return.
- Pupils must attend school before and after the appointment wherever possible.

Approved Educational Activity

Children who are educated off-site or who are engaged in supervised educational activities away from school premises, such as school residential trips, day visits to secondary schools or curriculum enrichment activities at local secondary schools are marked as present. Details of the codes used can be found in appendix 2.

Holidays in term time

Where a family takes a holiday during term time, the absence will be coded as unauthorised (G code) and it will be referred to the Local Authority. A **Penalty Notice** may be issued to each parent for each child. This is in line with the Local Authority policy.

All leave of absence taken without the agreement of the Academy will be recorded as unauthorised.

Children Missing in Education

If we cannot contact a family and do not know where a child is, we will report them as missing in education. This report is made to the Local Authority. The LA has a duty to investigate the whereabouts of such children and negotiate their prompt return to suitable education.

Re-integration Meetings

For children who have long periods of absence (e.g. hospitalisation), there will be a re-integration meeting with parents to ensure the return to school is successful. At the meeting expectations for attendance will be discussed.

Monitoring attendance and using data

Attendance data is a useful tool to provide detail about where our attendance is good and areas which need support and additional focus.

How we gather attendance data

Registers are taken twice a day and this is kept on our school Management Information system. Pupils are awarded an attendance mark for being present in the morning, and a second mark for afternoon attendance.

Daily attendance registers are completed within the class and children are marked present or absent.

The registers are reviewed by the school office. All absences and persistent lateness are investigated. If a pupil is absent and the school has not been contacted, then there will be a phone call home to check on why a child is not in school. Where necessary a home visit will be undertaken. Where there is a reason given for absence, a decision will be made whether to authorise this and an **absence code** will be added to the register (see appendix 2).

How we Monitor attendance data?

Daily attendance is monitored by the school office. Absence phone calls and home visits are made as required after this analysis.

Weekly attendance is monitored. Parents will be made aware if their child's attendance is 'at risk' of falling below national averages and lower. If the attendance drops below 90% the pupil is deemed a "**persistent absentee**" and closer monitoring and support will be undertaken.

Half termly and termly attendance is monitored by the academy and the Trust central team. Patterns are identified for individuals, groups, year groups and the school as a whole. We look at where our focus should be and the impact of interventions that we have completed in the previous term.

Parents / carers will be made aware of their child's attendance termly as routine (e.g. at start of year, parent consultations). If there are any concerns raised about a child's attendance during weekly monitoring, we will contact parents / carers to identify our concerns and to offer an opportunity to discuss how we may be able to support the family to improve their child's attendance.

Returns of academy data are made termly to the Department for Education and benchmark data exists to compare our academies locally and nationally.

We set attendance targets each year. These are agreed by the Academy Senior Leadership Team and the Trust Leadership Team. Attendance data is sent to the Board of Trustees.

Attendance procedures are regularly analysed for impact so we can ensure they are supporting improvements in attendance across the academy.

Parental engagement

Our academy wants to work closely with parents and carers to ensure all children attend school every day. We will provide information to parents to help them understand their role in attendance and to make sure our expectations are clear. This will be through communications such as letters, leaflets and an attendance workshop for parents / carers.

Where attendance is lower than 96%

Parents and carers have a responsibility to ensure their child attends school every day unless there is an exceptional circumstance. However, we recognise that every circumstance is different and there are sometimes barriers and challenges which make attendance more difficult. These may be short-term or longer term in nature. We aim to support parents and carers where there are challenges as much as possible. The needs of families differ so it is important that there is an ongoing dialogue between the child, home and school to identify the barriers and seek ways to remove them.

Parents / carers are encouraged to speak to Mrs Twigg, Mrs Scott or Miss Luff, if they are facing any challenges which is making their child's attendance more difficult. If school identify a child's level of attendance is decreasing, they will arrange to speak to parents and carers at an early stage to prevent more serious attendance issues.

Persistent Absence – below 90%

A child is deemed **Persistently absent** if they have an attendance of lower than 90%.

For children at risk of becoming persistently absent, school will speak to parents / carers so they are aware of the concerns and to support improvement in attendance.

Where there is persistent absence and ongoing attendance concerns, arrangements will be made for parents to speak to Mrs Scott or Miss Luff. The Local Authority attendance officer will be alerted and a plan will be drawn up improve attendance. This will be monitored and improvements noted and celebrated.

Absences will not be authorised without evidence from a professional (e.g. medical note). A multi-agency approach will be considered and referral made to relevant support services if it would be of benefit

Severe Absence – below 50%

A child is deemed **Severely absent** if they have an attendance of lower than 50%.

If pupil absence drops below 50%, a multi-agency approach will take place in partnership with the local authority Attendance Officer. The agencies involved will depend on the individual circumstance but may include:

- Social Care
- Support teams through Early Help
- Medical teams
- Youth teams

- Local charities

Formalising support

Where a child is deemed persistently or severely absent, support will be formalised. There will be a **multi-agency approach** considered in partnership with the **Local Authority attendance officers**. The aim is to support families to improve their children's attendance and to provide support with this.

There will be a formal attendance improvement plan which will be regularly monitored.

If, after this formal process, there is little or no improvement, formal sanctions will be considered.

Formal sanctions

Where support has not helped and a pupil's attendance remains of serious concern, the Local authority will consider moving to more formal sanctions. These are dependent on the individual circumstance but may include:

- Parenting contracts
- Education supervision orders
- Attendance Prosecution
- Parenting orders
- Fixed penalty notices

In the unlikely event these sanctions become relevant, information will be given to the parents / carers well in advance as part of earlier discussions.

Improvement and ending formal support

Where improvements have been made, these will be celebrated. There will be a period of time to monitor sustained improvements. Once there is agreement in the multi-agency team that improvements have been sustained, formal support will end. Ongoing school monitoring will continue as detailed in the tailored support section above.

Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people based on their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation. This policy has been equality impact assessed and we believe it is in line with the Equality Act 2010 and it is fair, it does not prioritise or disadvantage any pupil and it helps to promote and encourage equality in our academies.
